Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Profits in Poultry Keeping Solved: Best Authority on Poultry Raising, Save Labor, Time and Expense Just a few words here in the way of introduction to those who have never heard of me or of my new methods. I was born a poultryman, as my father before me bred fancy stock all his life, so from a small boy I gathered the eggs, took charge of the poultry, exhibited at the county shows and had birds of my own. I have bred fancy stock all my life and tried the winter broiler business with fatal results, as hundreds of others have done. This led me to experimenting and also studying nature to see if there was not a way in which they could be raised on a large scale without any loss to speak of. The result is after ten years of careful experimenting, I have solved the problem and am now able to put any poultry plant on a paying basis, regardless of location or other obstacles, and plants that went out of business under the ordinary methods have started up under my new methods and made wonderful successes. My first edition put on the market one year ago have all been sold, as my second edition of 3000 copies goes to press this April. 1907. My great feed at 10 cents per bushel will make any plant pay. After experimenting with processed oats my great feed for 10 years, I consider I now have as near a perfect feeding system as can be obtained for either a yarded or free range plant. Follow my methods, laid down in this book and success is...
