Random House USA Inc. Paperback. Book Condition: new. BRAND NEW, Have Him at Hello: Confessions from 1,000 Guys About What Makes Them Fall in Love or Never Call Back, Rachel Greenwald, You get that he's just not that into you, but why? What "really" happened when that cute guy never called you back after your date? Why didn't that intriguing man you flirted with online or at the party ask you out? It's an annoying mystery. One minute there was a potential romance happening, and the next? He vanished, inexplicably. If you knew why men reacted in these ways, you could do something about it next time when the right guy comes along. So Rachel Greenwald did what you're too embarrassed to do yourself. As a renowned dating coach with a Harvard MBA, she applied business savvy to the dating world by conducting in-depth "Exit Interviews" with 1,000 single men, asking them why they hadn't called back after a date or online flirtation. By refusing to accept glib responses such as "There was just no chemistry," she extracted unabashedly honest and raw answers. It turns out that men leave women hanging for clear, consistent reasons. The Top Ten Date-Breakers-revealed here in Greenwald's unique research-are the result of signals that women of all ages send unknowingly, but are easily fixed. Citing true anecdotes and case studies, this book examines the most frequent date-breakers that men confessed, and offers practical advice on how you can avoid them. Greenwald's goal "isn't" for you to pretend to be someone you're not, but rather to keep the ball in your court. By using her research results as a guide to tweak your comments and gestures, you'll have more men asking to see you again. Then you can accept or decline their invitations: "you're" doing the...
