Living at Nature's Pace: Farming and the American Dream

By Gene Logsdon

Chelsea Green Publishing Co. Paperback. Book Condition: new. BRAND NEW PRINT ON DEMAND., Living at Nature's Pace: Farming and the American Dream, Gene Logsdon, For decades, Logsdon and his family have run a viable family farm. Along the way, he has become a widely influential journalist and social critic, documenting in hundreds of essays for national and regional magazines the crisis in conventional agri-business and the boundless potential for new forms of farming that reconcile tradition with ecology. Logsdon reminds us that healthy and economical agriculture must work at nature's pace, instead of trying to impose an industrial order on the natural world. Foreseeing a future with more farmers, not fewer, he looks for workable models among the Amish, among his lifelong neighbors in Ohio, and among resourceful urban gardeners and a new generation of defiantly unorthodox organic growers creating an innovative farmers-market economy in every region of the country. "To love farming real farming in this day and time requires what a lot of people like to call crankiness but is in fact courage. . . . I have been reading Gene Logsdon for many years, and I have always taken courage from him. I thank him, and I shake his hand." Wendell Berry Nature...
