Viking, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "This is rip-roaring stuff, and Mr. Perry tells it with gusto." The Wall Street Journal "Perry takes plenty of detours beyond Ness's work history, exploring fascinating topics like an infamous Cleveland serial killer case, the evolution of law enforcement tactics, and the ever-present enticements wooing less-than-holy Chicago-area cops. His superb research is matched by his understanding of Ness as a microcosm of these larger tales, and he recreates a man and a slice of American history with marvelous results. A truly remarkable book." Michael Koryta, New York Times Bestselling author of The Prophet "There's so much more to the complex life...
