Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Do you want to know how to make life easier, simpler, and better for children affected with Autism Spectrum Disorder using solid strategies and useful information? If your children or someone you know is affected with Autism Spectrum Disease (ASD) you probably know that learning and development is a very big challenge. Also you may know that children diagnosed with ASD face difficulties in areas like communication, language, repetitive behavior, socialization, and restricted interests. For this reason it is extremely important that the family and caregivers (at home and school) have the appropriate education and knowledge to make life easier, simpler and better for these beloved children. This guide contains the most important information you must know about ASD and its primary objective is to guide and educate the readers about the difficulties and challenges that an autistic child faces every day and how he or she can help them make their days, weeks, months and years smoother. You ll also discover the needs of ASD affected children and great tips for taking care of them; solid strategies for teaching social skills, improving their communication and how you can get involved with them. Finally you will understand that each child has different needs and difficulties. No two children affected with ASD are the same. With the information that this guide provides you, you will have the knowledge to detect and analyze your children s unique needs and you will also have a variety of tips and strategies that you can apply. Why would you want to download this book? Taking care of a child that is affected with ASD is a very important task with a lot of...
