Coloring Book for Kids: Human Anatomy: Kids Coloring Book

By Speedy Publishing LLC

Speedy Kids, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Children love to learn about anatomy, and be able to identify their nose, mouth, eyes, and hands. Coloring books regarding human anatomy help children not only learn to identify body parts, but also understand the body part function. Understanding the function of body parts allows children to communicate problems, such as my knee hurts, or my stomach hurts. It also allows children to be able to differentiate between a functioning body, and one that is need of assistance, especially when the coloring books are accompanied by words. Anatomy coloring books can help children to compare between a sick body, and one that is well, and functioning properly.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
