

Liam Goes Poo in the Toilet: A Story About Trouble with Toilet Training

Filesize: 5.47 MB

Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

LIAM GOES POO IN THE TOILET: A STORY ABOUT TROUBLE WITH TOILET TRAINING

Jessica Kingsley Publishers. Hardback. Book Condition: new. BRAND NEW, Liam Goes Poo in the Toilet: A Story About Trouble with Toilet Training, Jane Whelen Banks, "This is Liam. Every day Liam eats lots of good food. Each time Liam eats, his tummy gets fuller and fuller.and fuller.until Liam's tummy starts to stretch" Successful toilet training is a time of celebration for both parents and child. It marks the end of dirty diapers and a forward step in the development of a child. Fraught with both stress and triumph, the period of toilet training can take from days to months. For a typical child, learning to gain control over the body's internal stimuli can be at best challenging. For many children, however, these internal cues can be overwhelming and confusing, leading to both a frustrating and traumatic toileting experience. Liam Goes Poo in the Toilet illustrates the relationship between eating and excreting. It provides visual instructions on how to "relax and push". After much fanfare, Liam finally masters going 'poo' in the toilet, and both he and Mum bask in the glory of a job well done.
