

Skinflicks: The Inside Story of the X-Rated Video Industry

Filesize: 1.96 MB

Reviews

An exceptional ebook and also the typeface applied was intriguing to read through. I have got read and i also am sure that i am going to likely to go through yet again once more in the foreseeable future. I discovered this pdf from my dad and i advised this ebook to find out.

SKINFLICKS: THE INSIDE STORY OF THE X-RATED VIDEO INDUSTRY

[DOWNLOAD](#)

Authorhouse. Paperback. Book Condition: New. Paperback. 452 pages. Dimensions: 7.8in. x 5.0in. x 1.2in. . . the best and most realistic depiction of the modern world of pornography written in book form to date . . . says Adult Video News publisher Paul Fishbein. The film Boogie Nights, the portrayal of the 1970s pornography business, hinted at an approaching revolution in the business. David Jennings, a UCLA Film and Television Department graduate, entered the industry as a shooter, to research and write a book about his experiences. He began at the time the x-rated video revolution erupted. That revolution transformed the audience from raincoats in sleazy movie houses to mainstream Americans who accepted and enjoyed quality films in their living rooms and bedrooms. Jennings founded the first company to shoot adult films DIRECTLY onto videotape. This daring, tell-all insider story exposes all the secrets. Social, historical and political factors play a huge role in the machinations of the arcane trade. The threats to the industry from within and without include: the U. S. Government sponsored War on Porn and its excesses, underaged actresses and porno stage mothers, anti-smut crusaders and porn-addicted vice cops. Twelve years as a writer, researcher, director, producer, distributor, and manufacturer of adult videos qualify the author to completely answer the questions most often asked by friend and foe of erotic media alike: What are these porno stars really like What kind of person can make such a public display of something that is so private What is really happening behind the scenes (The camera often lies.) Skinflicks is a book about pornography, not a pornographic book. The authors writing and research skills are of such high quality that they give a significant range and scope to the material. To honestly depict what goes on, part...
