St Martin s Press, United States, 2016. Hardback. Book Condition: New. 210 x 140 mm. Language: English . Brand New Book. Cody and her boyfriend, James, were two of the lucky babies from the 1 percent of the US population who were randomly selected to benefit from genetic engineering. Now she and the rest of the Ones are excelling. They aren t otherworldly, just perfect. The Equality Movement capitalises on this growing fear and jealousy and gains enough political traction to outlaw their existence. The line between right and wrong blurs in the face of injustice, and Cody becomes closer to a group of radical Ones intent on fighting back, while James begins to fear just how far she is willing to go for the cause. Thought provoking, thrilling, and complex, the first in this explosive new young adult series will appeal to fans of Divergent and The Fifth Wave.
