Pammy the Pig tells a story of Molly, a farmers daughter, and a little piglet named Pammy who is different, with her straight tail instead of a curly one like the rest of the piglets. All of the farm animals laugh at her, but a bad storm approaches and the animals are in danger. No need to fear as Pammy the Pig saves the day - with her straight tail nonetheless! Children enjoy the book, as they meet the different animals and read about the emotions Pammy experiences as she is shunned by the animals.
