A Fresh Look at Phonics, Grades K-2: Common Causes of Failure and 7 Ingredients for Success

By Wiley W Blevins

SAGE Publications Inc, United States, 2016. Paperback. Book Condition: New. 210 x 150 mm. Language: English . Brand New Book. In most instances, there isn't one main cause of a systematic breakdown in phonics instruction. Rather, a combination of causes can create a perfect storm of failure. -- Wiley Blevins Picture a class of kindergarteners singing the alphabet song, and teaching phonics seems as easy as one-two, three, A, B, C, right? In a Fresh Look at Phonics, Wiley Blevins explains why it can get tricky, and then delivers a plan so geared for success, that teachers, coaches, and administrators will come to see owning this book as a before and after moment in their professional lives. In this amazing follow up to his renowned resource Phonics From A-Z, Wiley uses the data he has collected over two decades to share which approaches truly work, which have failed, and how teachers can fine-tune their daily instruction for success. You will learn to focus on the seven critical ingredients of phonics teaching that produce the greatest student learning gains-- readiness skills, scope and sequence, blending, dictation, word awareness, high frequency words, and reading connected texts. Then, for each ingredient, Wiley shares:...
