

## The Cartels: The Story of Mexico's Most Dangerous Criminal Organizations and Their Impact on U.S. Security

By George W. Grayson Professor Emeritus

Praeger. Hardcover. Book Condition: New. Hardcover. 328 pages. Dimensions: 9.3in. x 6.4in. x 1.1in. What can President Enrique Peña Nieto do to curb the narcotics-induced mayhem in Mexico, and what would be the consequences to the United States if he fails? This book analyzes Mexico's transition from a relatively peaceful kleptocracy controlled by the Tammany-Hall style Institutional Revolutionary Party (PRI) (1929-2000) to a country plagued by rural and urban enclaves of grotesque violence. The author examines the major drug cartels and their success in infiltrating American and Mexican businesses; details the response from the Obama administration; assesses the threat that the continuing bloodshed represents for the United States; and emphasizes the constraints on America's ability to solve Mexico's crisis, despite U.S. contributions of intelligence, military equipment, training, and diplomatic support. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
