Brand New Book ***** Print on Demand *****.From author Barbara Valentin comes a collection of hilarious Plate Spinner columns from her bestselling Assignment: Romance series. What working parent hasn't considered delivering a performance review to their child prior to granting a salary, er, allowance increase? The Plate Spinner Chronicles: A Working Mother's Epic Adventure is a hybrid memoir/how-to guide that is stuffed with multi-tasking advice and relevant, but nostalgic anecdotes, all written in the wry tone of a harried working mother who'd rather laugh than cry over the length of her to-do list. This book is a compilation of The Plate Spinner columns which originally ran in the Chicago Tribune. Assignment: Romance novels: False Start Help Wanted What critics are saying about Barbara Valentin's books: Barbara Valentin delivers love, laughter, and a happily ever after-what more could you ask for? -Gemma Halliday, New York Times bestselling author False Start was such a wonderful romantic comedy and even though there isn't an ounce of steam in it. I completely loved it! 5 stars! -Boundless Book reviews I had a hard time putting (Help Wanted) down. That's probably why I had no trouble reading it in two days! I'll also stubbornly admit that I got a little teary-eyed towards the end, and I absolutely loved the ending. It was the perfect finish and one of my favorite endings, hands down. -Chick Lit Central.
