How to Study in Medical School, 2nd Edition provides a thorough and comprehensive method for studying the Basic Sciences in medical school and leaves no detail behind. Dr. Kamyab's unique system of studying is an effective study process that not only helps you understand the material and stay-up-to-date, but also helps you retain the information for your medical school tests, your licensing examinations, your clinical rotations, and beyond. Unlike similar books written by authors with Education Degrees or PhD Professors, this is one of the few books in its class that is written by a Medical School graduate. It is therefore written by an author who has gone through the process, and knows how to study effectively and succeed in Medical School. The 2nd Edition includes new chapters and a new frequently asked questions section. If you are starting medical school and are serious about succeeding, pick up your copy today!.
