Savva and the Life of Man: Two Plays

By Leonid Andreyev

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. For the last twenty years Leonid Andreyev and Maxim Gorky have by turns occupied the centre of the stage of Russian literature. Prophetic vision is no longer required for an estimate of their permanent contribution to the intellectual and literary development of Russia. It represents the highest ideal expression of a period in Russian history that was pregnant with stirring and far-reaching events-the period of revolution and counter-revolution. It was a period when Russian society passed from mood to mood at an extremely rapid tempo: from energetic aggressiveness, exultation, high hope, and confident trust in the triumph of the people's cause to apathetic inaction, gloom, despair, frivolity, and religious mysticism. This important dramatic epoch in the national life of Russia Andreyev and Gorky wrote down with such force and passion that they became recognized at once as the leading exponents of their time.
