They are an unstoppable force with their number taken from every known Terran planet in the Galaxy. They have little in common, other than their love of wealth and adventure, and a bitter hatred for each other. Ten thousand savage mercenaries, exiles, thieves and criminals, each looking to make their name in the greatest enterprise in living memory. Into this world of space travel, war and intrigue comes Xenophon, the exile from the Alliance planet Attica, Glaucon the rich playboy, Roxana the experienced starship officer, and Tamara, the blue-haired castaway with a hidden past and a violent personality. Fate brings them together, to serve on board one of the mighty Titans, the great floating fortresses and the most powerful starships known to mankind. There are only twelve of these in existence, and just one is powerful enough to take on an entire fleet of enemy ships. With only a few weeks to train with their comrades, nothing will prepare them for the carnage that awaits them at the infamous Gates of Cilicia. This fortified sector serves as the entrance to the Median Empire, the largest and most powerful empire in the known Galaxy and ruled with an iron fist by the tyrant, Emperor Artaxerxes.
