When A Child Dies Footsteps of a Grieving Family

By O'Shea, Jim

Veritas Publications, 2008. Paperback. Book Condition: BRAND NEW. When a Child Dies is an experiential book in which the reader is invited into the minds and hearts of a family devastated by the death of their youngest member. Through the voices of the child's parents and siblings, this book explores the many feelings and thoughts experienced following this tragedy. The feelings of shock, anger, rage, sadness, fear, terror, denial, yearning, guilt and loneliness are palpable throughout, showing how the family coped, and what helped them to come to terms with their loss. When a Child Dies ultimately uncovers a family slowly emerging from darkness and chaos to reach some kind of acceptance, and to make the decision to live rather than to merely exist. From the Author: This book will be of great help to siblings as well as to parents of bereaved children. by children I include adult children of any age, as well as children who die in the womb, infants, preteens and teenagers. This is one of the few books that gives a voice to siblings. all my surviving children wrote for this book, and contemporary diaries are used. Generally the focus is on the bereaved parents,...

Reviews

This composed ebook is wonderful. It really is written in basic words rather than hard to understand. You may like the way the writer composed this pdf.

-- **Ryder Nolan**

This book can be well worth a go through, and a lot better than other. It is written in simple words and phrases and not confusing. It's been printed in an exceptionally simple way in fact it is merely right after I finished reading through this pdf by which basically changed me, modified the way I think.
