VITAL MERGER: A NEW CHURCH START APPROACH THAT JOINS CHURCH FAMILIES TOGETHER

Paperback. Book Condition: New. Paperback. 176 pages. Do you feel restless about your church's ministry and wonder whether joining with another church (or churches) could increase your missional impact on the community? If so, you may want to learn more about Vital Mergers. As blended families face big decisions and challenges, so do churches seeking to merge. Dirk Elliott has helped numerous churches successfully navigate this process and can help you do the same. Dirk Elliott has put the Method back into Methodism as he succinctly shows us how to create new and vibrant ministries in communities where the flame has flickered or been snuffed out! As a student of his for nearly a decade and a Vital Merger pastor who is putting Dirk's method to the test, let me assure you THIS WORKS! We began a Vital Merger combining members of four congregations using Dirk's approach and have met or exceeded every one of his Measures of Success as we approach year five. This book is a gift to the church of Jesus Christ! Scott T. Walsh, Lead Pastor, New Leaf United Methodist Church. As denominations work to create more vital congregations, Dirk Elliott shares a new way to bring growth and health to existing congregations through Vital Mergers. This book offers a step-by-step approach to a successful Vital Merger, giving helpful examples of what to do and what not to do. I encourage the use of the book for any congregation that is considering doing something new. Deborah L. Kiesey, Bishop of the Michigan Area of The United Methodist Church. Dirk's long-awaited work on Vital Mergers is both his premarital counseling guide and wedding gift to congregations that have a sense of vision and purpose beyond themselves and for the communities God has called them to serve. This innovative and instructional manual comes right out...
